The *Journal of the Brazilian Chemical Society (JBCS)* is published once a month by *PubliSBQ* (<http://publi.s bq.org.br/index.php?&agrep=jbcs.qn.qnesc.qnint.rvq>) of the *Sociedade Brasileira de Química (SBQ)*. The *JBCS* serves its readers as a forum for information related to the advancement of Chemistry. The *Journal* is devoted to the publication of research papers in all fields of Chemistry, except education, philosophy and history of Chemistry. The online *Journal* is open access through the website: <http://jbcs.s bq.org.br/home>.

SBQ President: Profa. Dra. Shirley Nakagaki

PubliSBQ Coordinator: Prof. Dr. Paulo Cezar Vieira

Information for authors: full details of how to submit material for publication in the *Journal of the Brazilian Chemical Society* (online submission by ScholarOne platform, <https://mc04.manuscriptcentral.com/jbchs-scielo>) and Article Processing Charges (APCs) are given in the following links: <http://jbcs.s bq.org.br/instr.authors> and http://jbcs.s bq.org.br/open_access, respectively.

Galley proofs are sent by the *JBCS* Editorial Office to the author who submitted the manuscript. Proofs should be checked and returned as soon as possible (preferably within 72 hours).

Back issues: back issues of all previously published volumes are available directly in the website (<http://jbcs.s bq.org.br/home>, open access).

iThenticate - Plagiarism Detection Software: the *JBCS* adopts the anti-plagiarism tool iThenticate, being benefited from an agreement supported by the Brazilian Association of Scientific Editors (ABEC), since the end of 2015.
